

D.O.K.K. PARADE NIGHT JUNE 29

Cochise County and Northern Sonora Join Desert Domain; Wierd Page-ant for Public

PHOENIX TEAM HERE

Cochise county and northern Sonora will be added to the desert domains of the Dramatic Order of the Knights of Khorassan on June 29, when a degree team from the Phoenix lodge of Knights of Pythias will arrive here for the purpose of initiating Knights of Pythias from Bisbee, Douglas, Tombstone and Cananea into the mystic degree of Khorassan.

It was not definitely known until yesterday on what date the degree would be conferred, but Cananea Knights of Pythias entered so readily and so heartily into the plan that Chancellor Commander Verfurth, of the Bisbee lodge of Knights of Pythias was able yesterday to telegraph the Phoenix lodge that the required number of neophytes and more had been obtained, and that all would be ready for conferring the degree on the evening of June 29.

The chancellor commander headed a party of twenty-two Bisbee knights who went to Cananea Wednesday evening to interest the Knights of Pythias there in the degree, and the result of the visit was that twenty neophytes were secured, ten more than is necessary for the organization of the degree of Dramatic Order of Knights of Khorassan.

The Bisbee knights were most royally entertained by their brothers of Cananea, a banquet being served in honor of the visitors. At this affair several enthusiastic speeches were made, and the regular number of initiates had been obtained after the delegates from the Bisbee lodge had been in the Sonora city but a few minutes.

Not only will Cananea join the Cochise county lodge in organizing the D. O. K. K., but the Knights of Pythias from that city will do it in style, coming to Bisbee for the initiation on a special train, accompanied by a Mexican band, which will participate in the public parade.

The Bisbee knights spoke highly yesterday of the enterprise of the Cananea knights, and of their hospitality. The Knights of Khorassan degree team from Phoenix will preside at the tortures of the initiation and installation here on the evening of June 29, and the baggage car in which the paraphernalia of initiation is shipped will be a veritable chamber of horrors, it reports it true. The Phoenix team is perhaps the most

ROAD OILING BEGINS; DRIVE WITH CARE

Traffic Inconvenienced Children Must Give Machine Plenty of Room

The road between the eastern city limits of Bisbee and the approach to the Bisbee-Douglas state highway below Lowell has been thoroughly harrowed by the big steam roller, and the work of spreading the first coating of oil will begin this morning, and the harrowed and oiled road surface will then be pressed and rolled.

"The road will necessarily be torn up and traffic more or less inconvenienced while the work is in progress," said Road Supervisor N. C. Bledsoe yesterday afternoon, "and we will appreciate it if the public will be patient and use due caution in traveling over the torn up roadway. Parents should also caution their children to remain away from the vicinity of the steam roller, as it is a cumbersome piece of machinery and not always easily and quickly handled."

expert in its work of any in the southwest, and when the Cochise county and Cananea neophytes know fully the meaning of the order, they will each be able to write a book, but they won't.

The initiation and installation will be an event not solely of interest to Knights of Pythias, but the public part of the ceremony will be of interest to all. The initiation will be preceded by a parade through the streets of the city which will be wisely lighted by tapers of red fire. The captive neophytes, chained to a wall, will be paraded through the streets dressed in costumes of humility, and by the time they reach the portals of the castle on O. K. street hope will have been left behind.

The installation will very likely be followed by a social meeting in the form of a banquet. Bisbee Pythians have been working on their D. O. K. K. plans for a number of weeks, and now that they are so near fruition they are holding joy-conferences every time they meet. Not only will there be visitors from Phoenix, but from all over the state and from California to participate in the impressive ceremony.

THOMAS MAKES LONG CHASE; FALSE ALARM

Constable on Tip Rides into Mountains Trailing Suspected Wife Slayer

Looking for a Mexican who it was thought might be David Martinez, Constable C. N. Thomas rode ten miles into the hills to the west of the city Wednesday afternoon and Tuesday night, but found no one answering to the description of Martinez.

Several days ago a Mexican came down out of the hills and got water at a ranch on the other side of the divide. When he had filled his canteen he went back into the hills. He was seen by a rancher who thought he might be Martinez, the wife murderer, and he notified the Bisbee officer, who went out late Wednesday afternoon to investigate the case.

After riding about seven miles on horseback the officer located a camp through a powerful pair of field glasses, and on arriving at the camp, a boy who accompanied him from the ranch pointed out the strange Mexican, but the officer, who was familiar with Martinez' description, declared at once that it was not he. There were five Mexicans at the camp, they having gone into the hills to gather wood. The officer was three miles away from the camp when he located it through the field glasses.

CANANEA NEWS NOTES

(By Joseph I. Cobb)

CANANEA, Son., Mex. June 20.—While on a hunting trip recently, two local youths were riding in a wagon of a Chinese truck gardener, and when the wagon struck a stone in the road, the shot gun in some way was discharged, the load taking effect in the leg of the Chinaman. The boys drove to Ojo de Agua, where they telephoned for medical assistance, but the unfortunate Chinaman bled to death. The boys were taken to Cananea, where one of them, John Sessler, was placed in jail, later being liberated on bonds in the amount of 1,000 pesos.

The boy will probably be released soon, as the death of the Chinaman was purely accidental.

The ten-month-old son of Mr. and Mrs. Ramon Armendariz died last Saturday morning with stomach trouble. The interment occurred the following day at Ternate ranch, the home of the family. Mr. Armendariz was at Chihuahua at the time and arrived home on Wednesday, he being unable to get here sooner on account of the unsettled conditions being experienced by the railroads.

A benefit will be held at the Teatro Cananea on Saturday evening, June 29, for the benefit of the Catholic church. A nice program, consisting of music, plays, etc., has been arranged for the occasion.

An excursion to Bisbee is being arranged for July 21. A baseball game between the Cananea and Bisbee teams will be had and a program of other sports will probably be carried out. It promises to be greatly patronized. Bisbee will return the compliment later in the season.

Mr. and Mrs. V. R. Walling and children left on Thursday for their new home in Chicago. Mr. Walling to enter the employ of the Chicago, Western Indiana and Belt railroad in the capacity of assistant engineer. The family has made Cananea its home for a number of years, and all are sorry to see them leave.

On Monday evening the Sonora lodge No. 22, F and A. M., tendered Mr. Walling a banquet, at which he was presented with a remembrance of his brothers, it being a seal traveling case.

On Tuesday the railroad boys who have been working under Mr. Walling for some years, presented him with a gold watch and chain. The Cananea club tendered them a dance on Saturday evening, and in fact, they have been given numerous farewell receptions during the past week.

ATTENTION MOOSE.

All Moose are requested to be present at the meeting tonight to make arrangements for the big barn dance to be given June 29th.

"RAINY SEASON" ON; COUNTY DAMPENED

Sprinklings Here and There with Good Shower Near the Cowan Ranch

Heralded by flashes of lightning for several days past, the "rainy season" began yesterday when showers fell in several parts of the county. In Bisbee rain enough to run the streets fell yesterday morning at one o'clock, and again shortly before noon yesterday. Previous to yesterday the rain clouds had appeared on the western horizon, but yesterday they also appeared in the east and south-east, in which direction yesterday's rains came from.

G. J. McCabe, who arrived in the city yesterday, reported a sprinkle of rain at Hereford Wednesday afternoon and a splendid shower yesterday afternoon between Bisbee and Hereford, the water running in the roads and forming puddles. It was the first fall of the season in that section.

Dr. N. C. Bledsoe, returning from Tombstone, reported a good shower near Cowan's ranch. "I outran the rain, but could see a good shower falling back of me, toward Cowan's ranch," he said. "The rain appeared to be coming up the valley."

Brief Local Items

No Court Cases.

There were no cases in any of the courts yesterday. City Marshal Bassett Watkins and Constable P. T. McElroy went to Lewis Springs to accompany their families at the picnic.

Taylor Funeral Held.

The funeral of Bert Taylor was held yesterday afternoon at 4 o'clock from the O. K. chapel, conducted by Rev. J. W. Epperly. Interment was in Evergreen cemetery.

Ed Johnson Funeral.

The funeral of Ed Johnson, who lost his life in a mine accident, was held yesterday afternoon at 2 o'clock from the Palace chapel, conducted by Rev. J. W. Epperly. Interment was in Evergreen cemetery.

Picnic Yesterday.

The Sunday schools of the district joined in having a picnic yesterday at Lewis Springs. One hundred and eighty people went to the springs by train yesterday morning, returning on the regular train in the afternoon.

Lowell Child Dies.

The two year old daughter of Mr. and Mrs. Louis Siles, of Lowell, died yesterday morning at 8:30 o'clock, following an illness of fever. The funeral will be held from the residence this morning at 10 o'clock.

Leaves for Coast.

City Attorney Ed J. Flanigan will leave this afternoon for San Francisco and Oakland, where he will visit relatives for several weeks. J. S. Williams, assistant district attorney, will look after the city's legal affairs during his absence. Mrs. Flanigan and children left some days ago.

McCabe in the City.

G. J. McCabe, former chairman of the board of supervisors, arrived in the city yesterday afternoon from Hereford, coming in to get the latest news from Chicago. He is a supporter of Roosevelt and believes that La Follette should have it if the colonel cannot get it. Mr. McCabe is a former Rough Rider.

"Little Bird" Escapes.

A Mexican prisoner on the county road gang escaped yesterday and had not been rearrested up to last night. He was given a sentence of twenty days several days ago when he was charged with beating his wife. He was of small stature and he was called by other Mexicans, "Little Bird," or "Pajarito."

Sanity Board Meets.

The county sanity board met yesterday at Tombstone for the purpose of examining into the sanity of a man held for insanity but there being no judge present the board adjourned until another date. Dr. N. C. Bledsoe, of Bisbee, attended the meeting, going over in his automobile and returning at 4 o'clock in the afternoon.

Mexican's Funeral Today.

The funeral of Rafael Magazide, the Mexican who was found dead on the surface at the Junction shaft Wednesday night, will be held this morning at 9 o'clock from the O. K. chapel and interment in Evergreen. As there were no suspicious circumstances about the death of the man, no inquest was held.

And the sound of Canon and the Order of powder will be the signal for Celebrating the glorious fourth. Have you a snappy new suit to get into on that morning?

KANSAS EXPECTS BUMPER CROP

EMPORIA, Kas., June 20.—Today marked the beginning of the harvest season throughout a large section of Kansas and by the end of the month the season will be in full swing. The expert threshers who have looked over the fields are unanimously of the opinion that the wheat crop will exceed that of last year and is likely to be one of the largest in many years. It is estimated that the state will need at least 25,000 extra hands to harvest the crop.

GOOD OLD SUMMER TIME IS NEAR

WASHINGTON, D. C., June 20.—Notwithstanding the fact that the baseball pennant races started more than two months ago and straw peddlers, according to the almanac, "lids" have been worn so long that they are beginning to look shabby, the summer season will not begin until tomorrow afternoon at 2:09 Eastern time. Incidentally, tomorrow will be the longest day in the year. With the inclusion of the dawn and twilight the total amount of daylight will be about 16 hours. Tomorrow the earth will reach its shortest distance from the sun during its annual travels around its orbit, and will then begin its march away from the luminary, reaching its greatest distance from the sun on December 21.
